**BECOME A KLEIBER DIGITAL PARTNER
FOR JECIS PROJECTS**

August 2017

THE POWER OF A PARTNERSHIP

A successful Web Initiative is the result of multiple key-players combining their expertise. We at Kleiber Digital believe that to build cutting edge Web experiences, each part should be covered by the best possible talent. We call this the "Ocean's Eleven Principle".

With a Kleiber Digital / JECIS Partnership we want to achieve precisely that. You, as our partner, will engage with clients and their projects to build compelling solutions. We, as provider of JECIS, the first JCR-based E-Commerce framework, will provide you all the support you need to be successful and focus on keeping JECIS a cutting-edge technology.

The JECIS Partner program is designed to provide the client the best possible Professional Services, but also to build a long-term relationship, with you as a partner, and the client, for a successful journey.

STANDARD PARTNER PROGRAM

The **Standard Partner Program** is tailored for organizations that have limited capacity but are highly skilled and efficient in the projects they complete.

- A **free JECIS Partner license** for e.g. your own Web site.
- Continuous **project coaching** and monitoring during your first project.
- **Support** based on SLA-0 for all upcoming projects.
- Active **sales support** (e.g. presentations) for promising prospects.
- **No costs** involved as long as you complete one project per year.

PREMIUM PARTNER PROGRAM

The Premium Partner Program is designed for larger entities who work on multiple projects and require intensive support and assistance throughout the life-cycle of a project.

- *Completing **three projects** per year will qualify for **Premium Partner**.*
- *A **free JECIS Partner license** for e.g. your own Web site.*
- *Continuous **project coaching** and monitoring during your first project.*
- *Development support, e.g. for complex features (e.g. payments) or POCs.*
- *Active **sales support** (e.g. presentations) for promising prospects.*
- ***No costs** involved as long as you complete **three** projects per year.*

APPLY

As partners we will explore new capabilities from Web experiences with commerce elements to full-fledged, commerce driven Internet solutions. **JECIS – Your Site is Your Store!**
